Go over ordinances. Right to be buried is \$200.00. Every cemetery is different on amount of burials per plot.

Next meeting will have copies of "Cemeteries: Challenges and Solutions" for the board. Need to work on a permanent ordinance and deed.

Update on Antrim: Hired Monument Engineering and are currently mapping the cemetery. Monument Engineering wanted map of entire cemetery. Burials ended up in drive. Board approved for Monument Engineering to come out and re-lay out the drive in the cemetery, around the burials that exist. How are we going to designate where the drives are?? Next work day go to Antrim and familiarize ourselves with the layout, even if we don't work documenting.
